COLONEL QUARITOH, V.C.

And the Opening Chapters appeared in THE "HONGKONG DAILY PRESS" OF SATURDAY, 21ST JULY. In this dramatic work, the author of "She" makes a new departure. Instead of placing his characters in lands remote from civilization and subjecting them to influences of the most remarkable and unprecedented nature, he has here Parcel itself (except in cases where enclosure written an English treasure story of the present day. The here is a soldier in the British army, a wearer of the Victoria Cross, who returns home

from the recent operations in the Soudan, to the desert for a series of sensational incidents. among pleasant English landscapes, and the ultimate reward of an ancestral home brightened by the beauty of a comely bride. The plot is well contrived, there is strong individualisation in the characters; the scenes are depicted with clearness and a warm glow of local colour, while the main incidents are worked out with power. Not even in "King Solomon's Mines," when entrance is effected into the mysterious chamber. is the thrill greater than when Colonel Quaritol unearths the tressure, hidden away from Cromwell's soldiers, the recovery of which saves an speient house from ruin.
